

Clara
Barton

4 April, 1950

Dear Dr. Horton:

In the absence of Dr. Sockman who is out of town for Holy Week, your note of the 28th of March has come to me for attention.

We are happy indeed to have your endorsement of the nomination of Clara Barton for the impending election of the Hall of Fame. The ballots will be sent to the electors early in June of this year, at which time we shall apprise them of the many endorsements received for Clara Barton.

I shall be happy indeed to apprise Dr. Sockman of the receipt of your letter immediately upon his return to New York.

Meantime, with appreciation of your interest, believe me,

Respectfully and sincerely yours,

Bertha L. Lyons
(Mrs. N.)
